Business Members, Partners & Leaders

The success of Maine's economy depends on the success of Maine's ecology. Your partnership with Androscoggin Land Trust (ALT) will protect the unique natural places, wildlife, working lands, and outdoor experiences that define Maine. Our state's environmental resources create the quality of life that draws more people to visit and live in Maine every year, helping our businesses thrive. When your business supports ALT, people notice. You show customers, employees, and the community that you've made an investment in Maine's environmental health and future. You can be sure we'll use 100 percent of your gift for our conservation, stewardship, and education work in the 19 communities we serve in the Androscoggin River Watershed.
